

Piazza del Campidoglio à Rome

FIGS. 162-63—ROME. PIAZZA DEL CAMPIDOGLIO. VIEW AND PLAN

The stairs to the left leading to Aracoeli date back to 1348. The monument was placed by Michelangelo in 1538. The carrying out of his plans for the buildings took until 1598, thirty-four years after Michelangelo's death. (From Letarouilly.)

5. Tentative reconstruction of the Palazzo del Senatore, Rome, just after 1303; after C. Pietrangeli

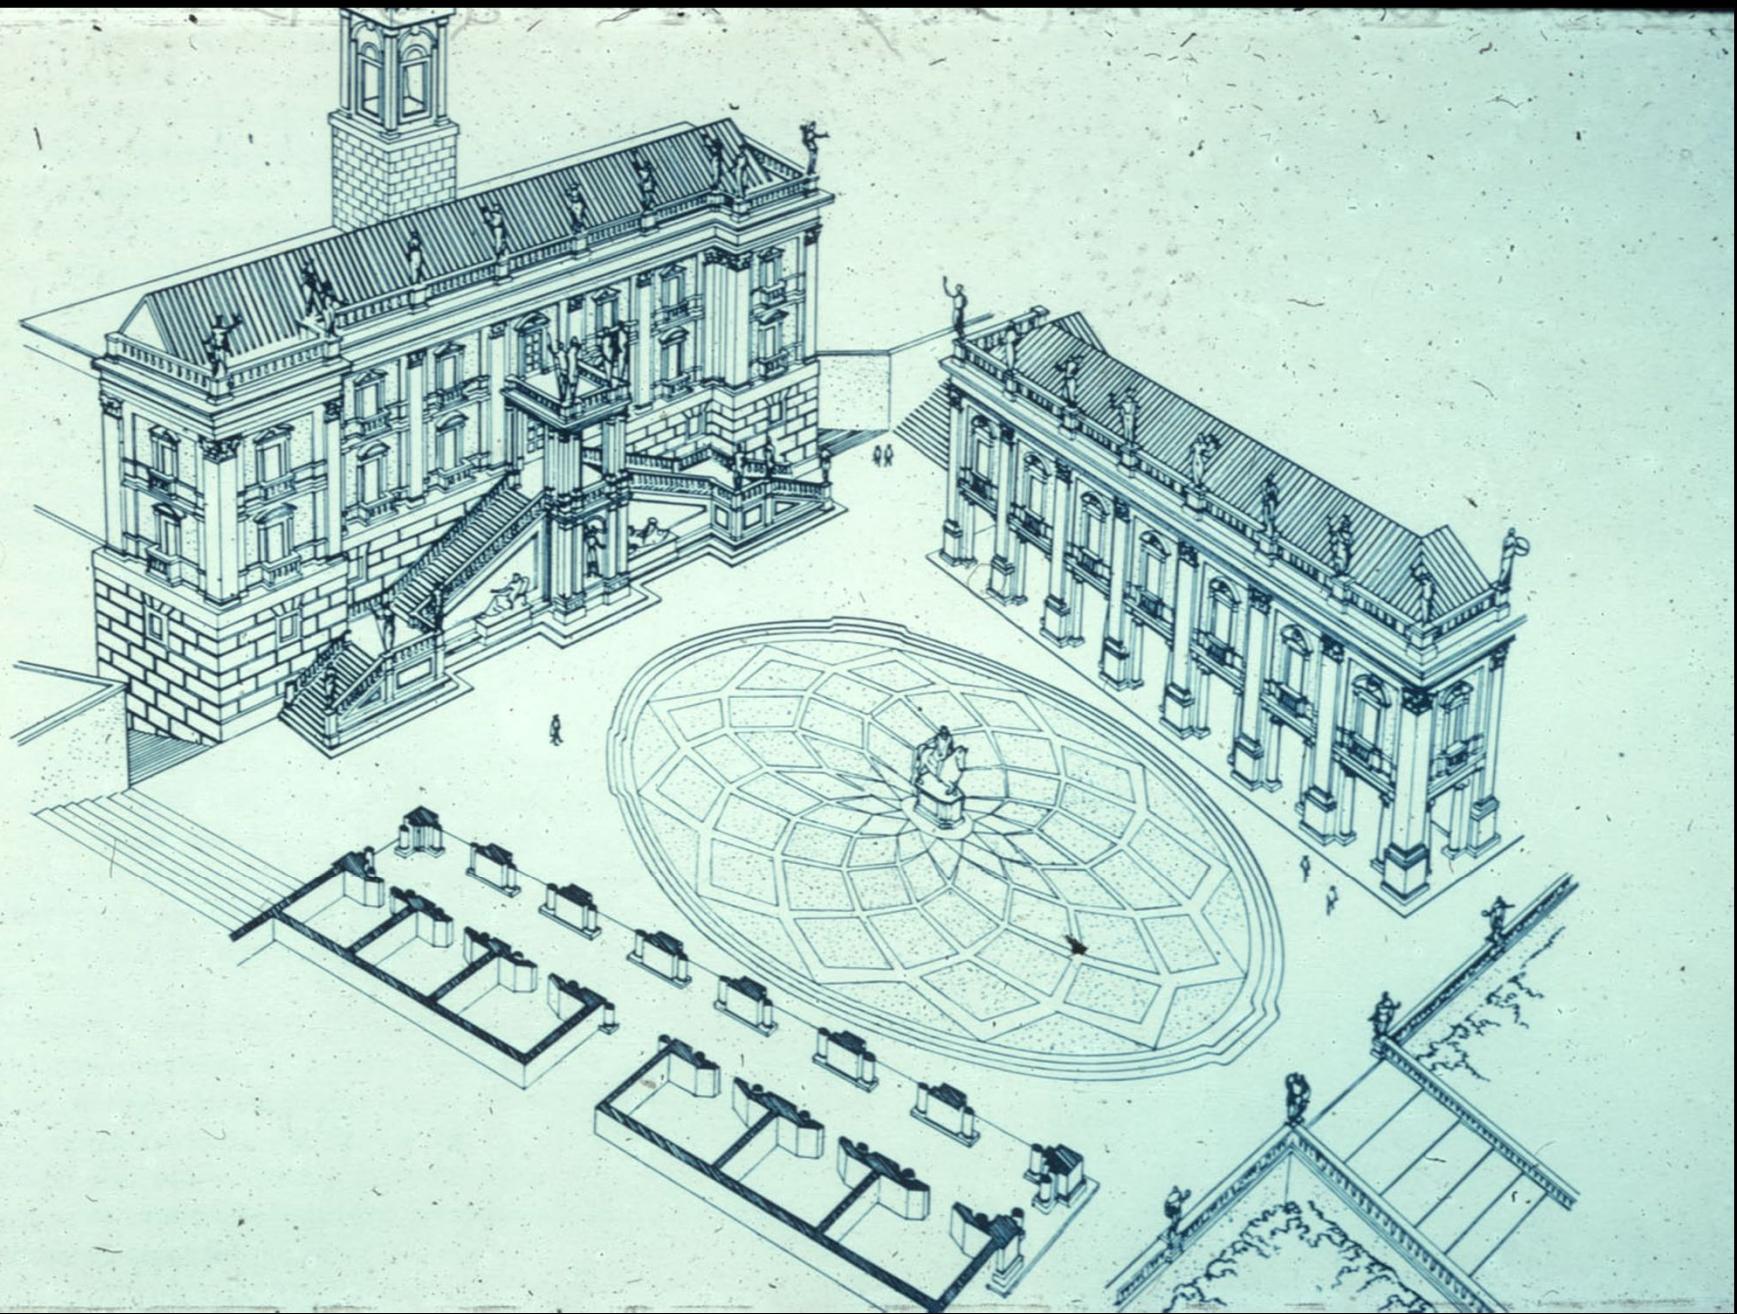

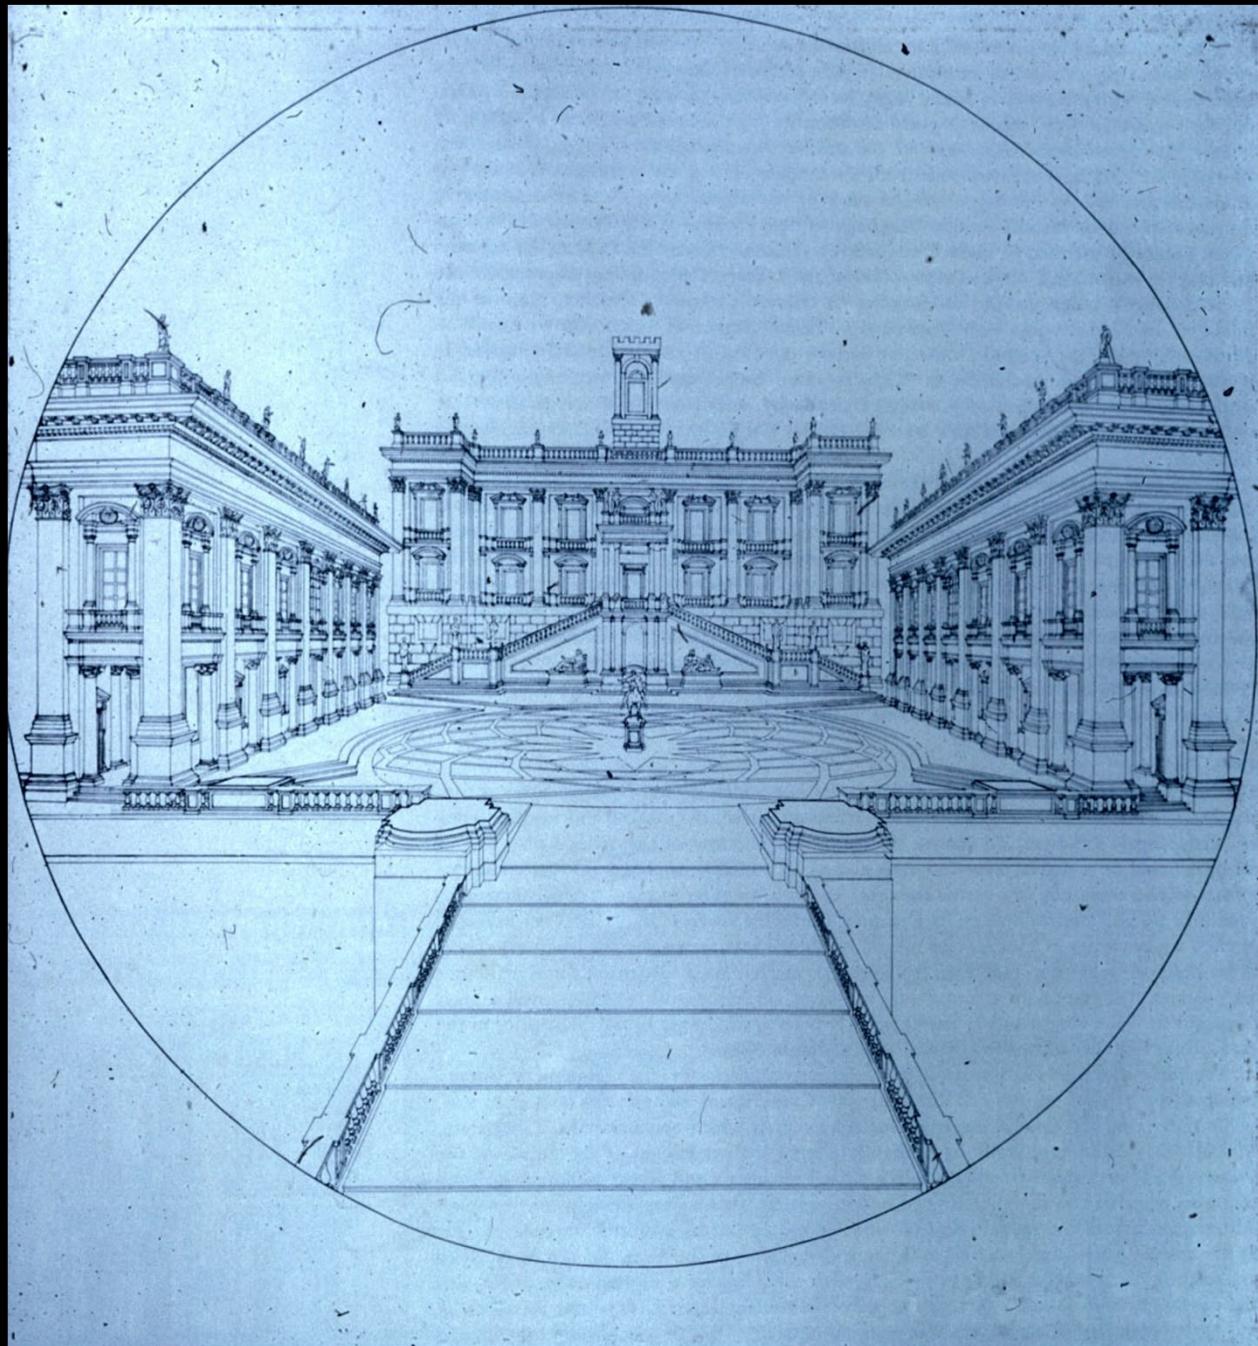

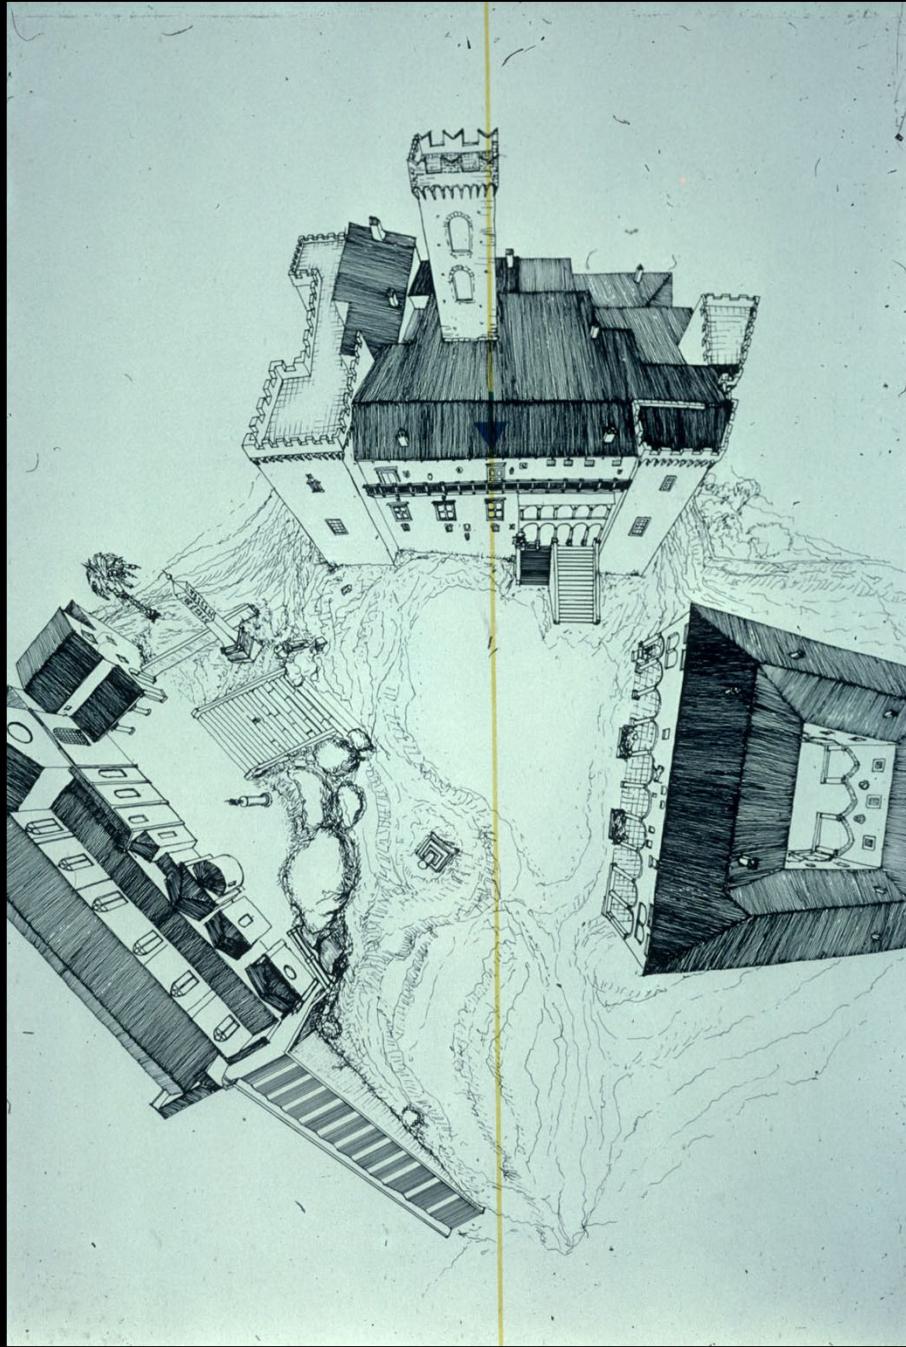

CAMPIDOGLIO

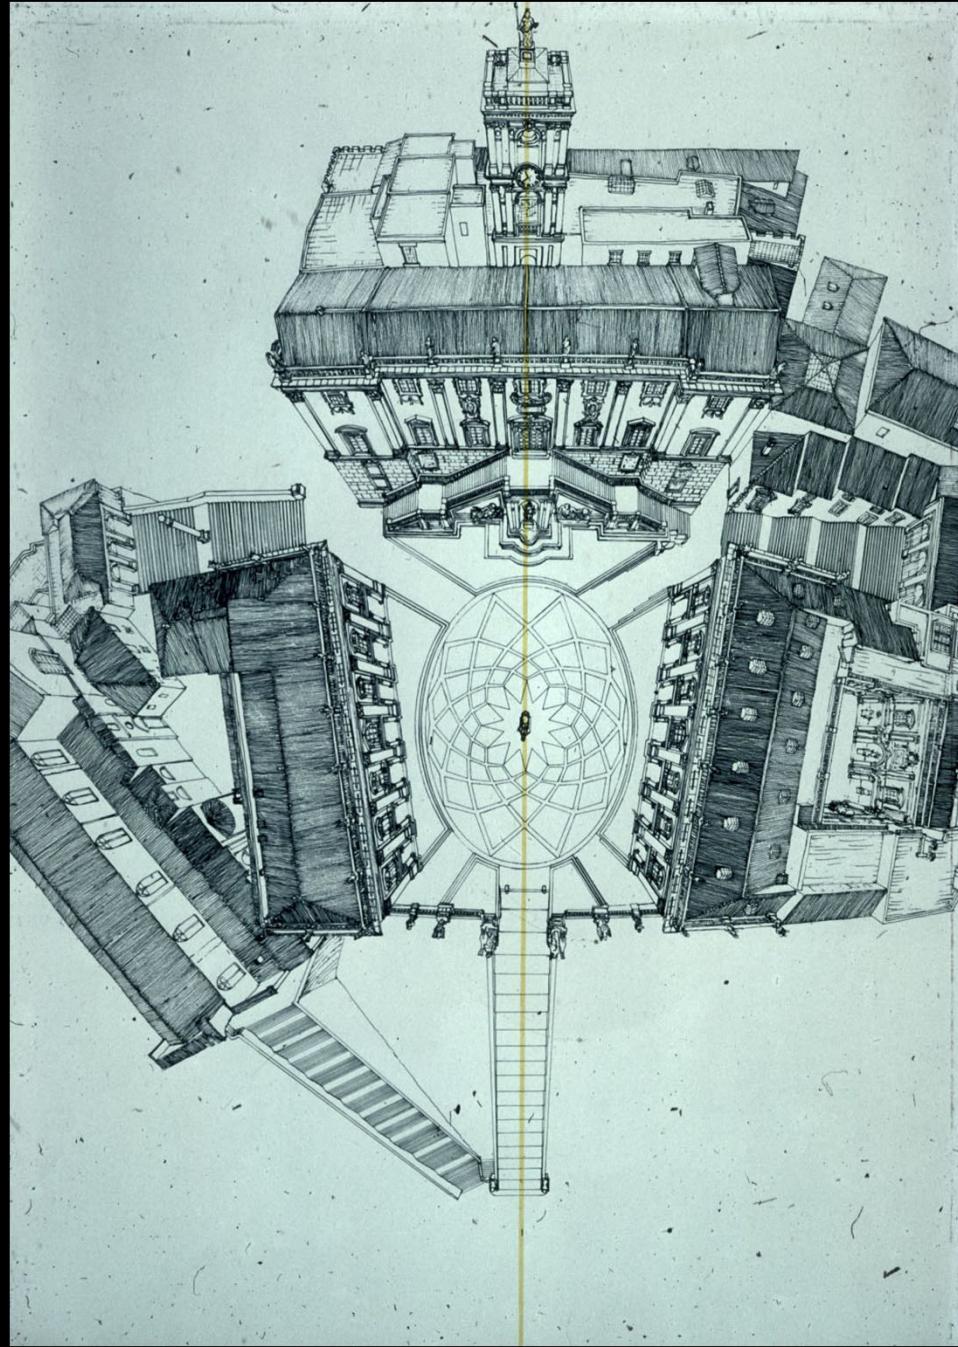

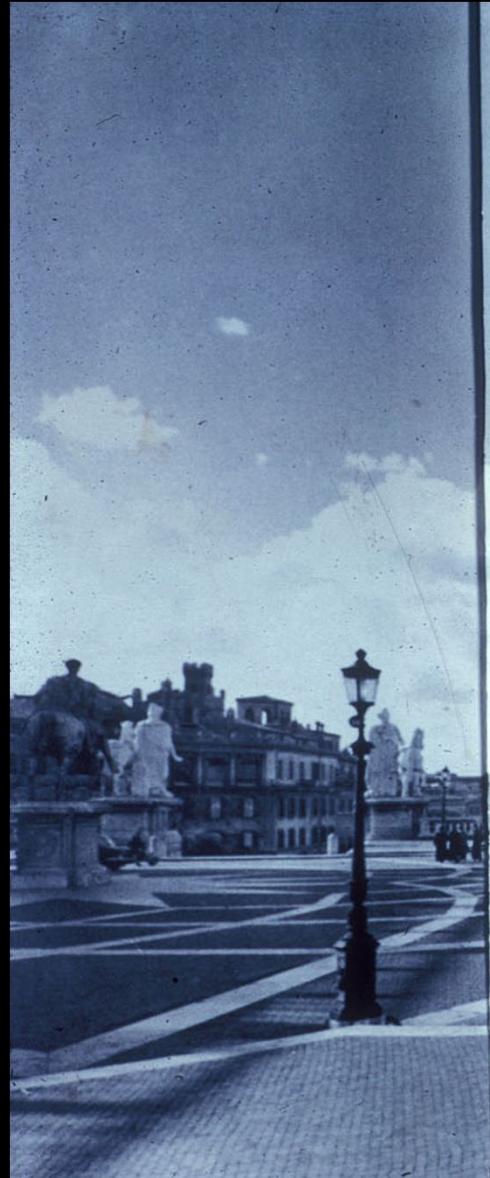

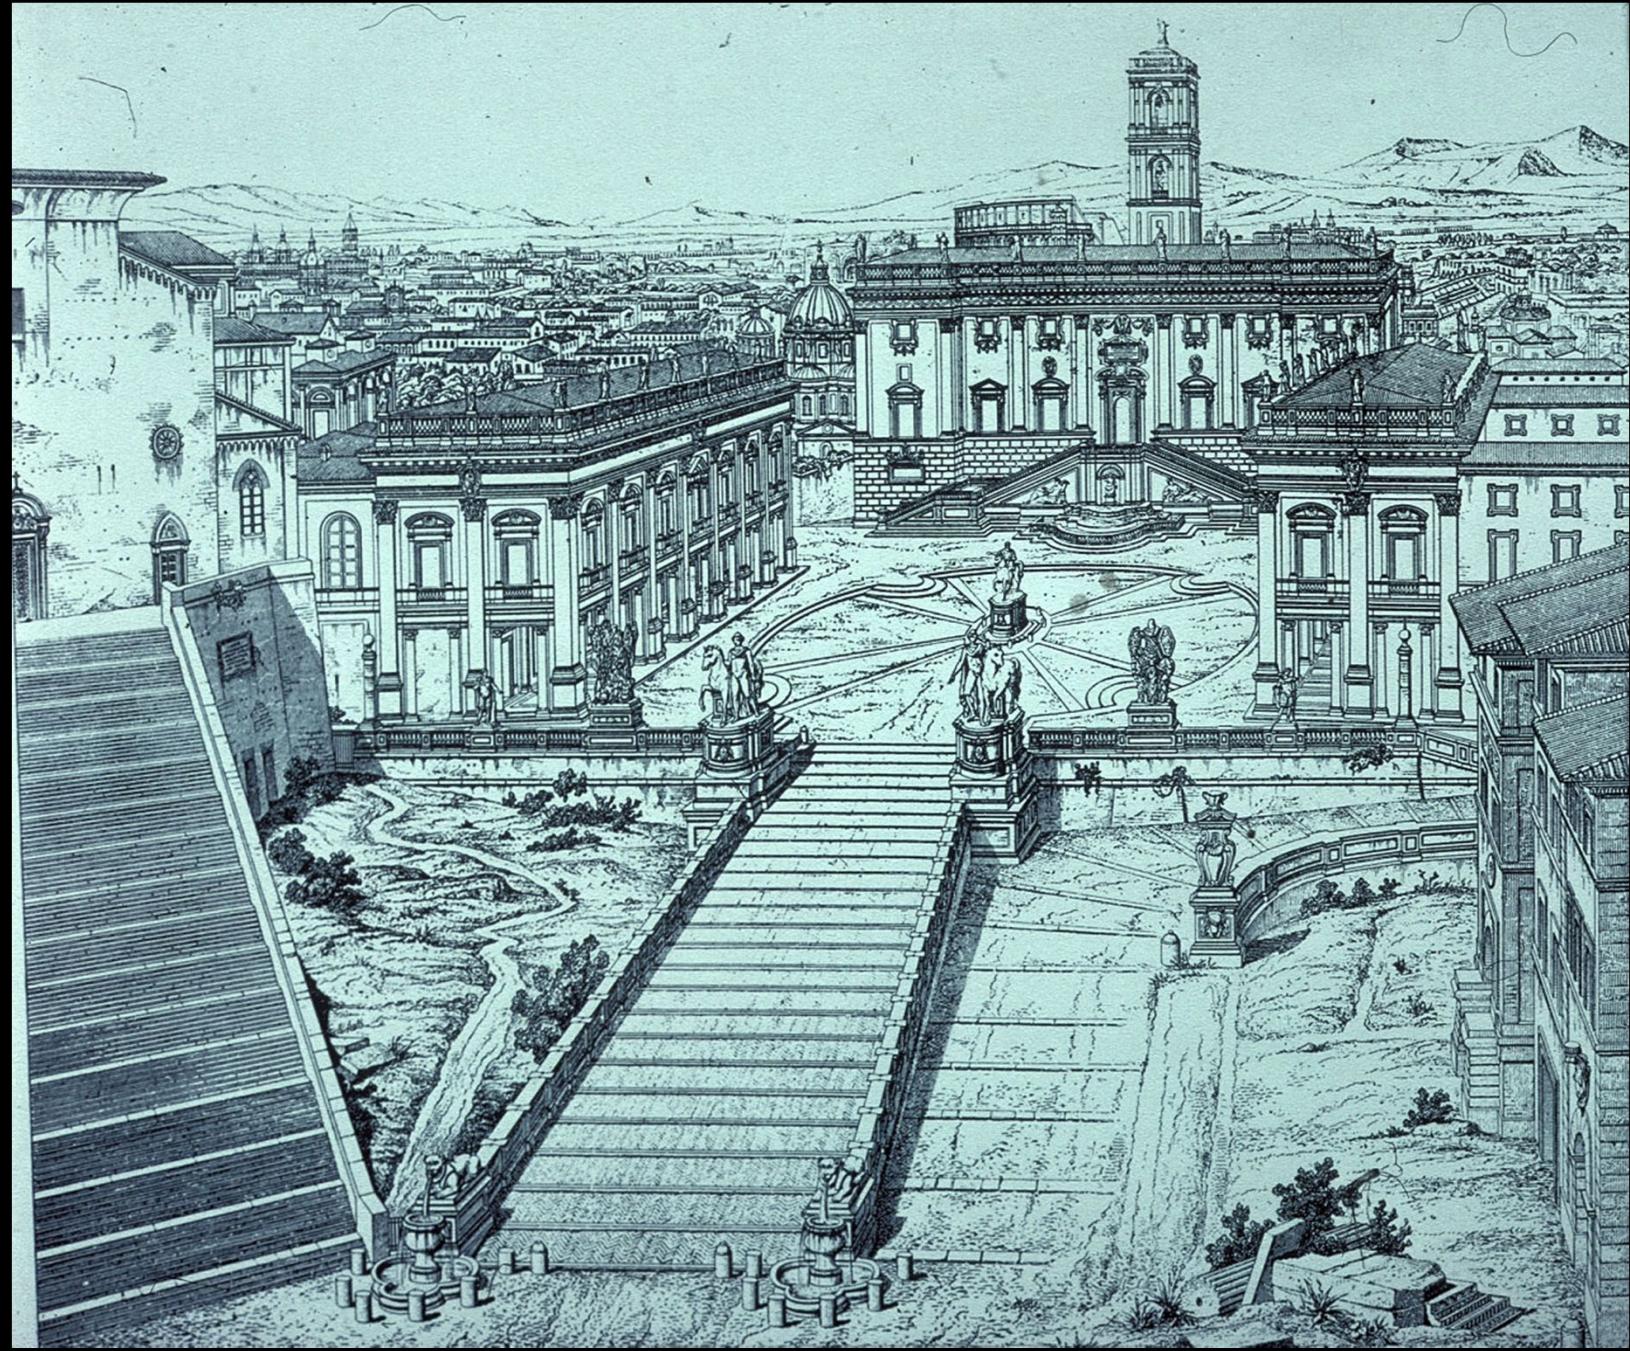

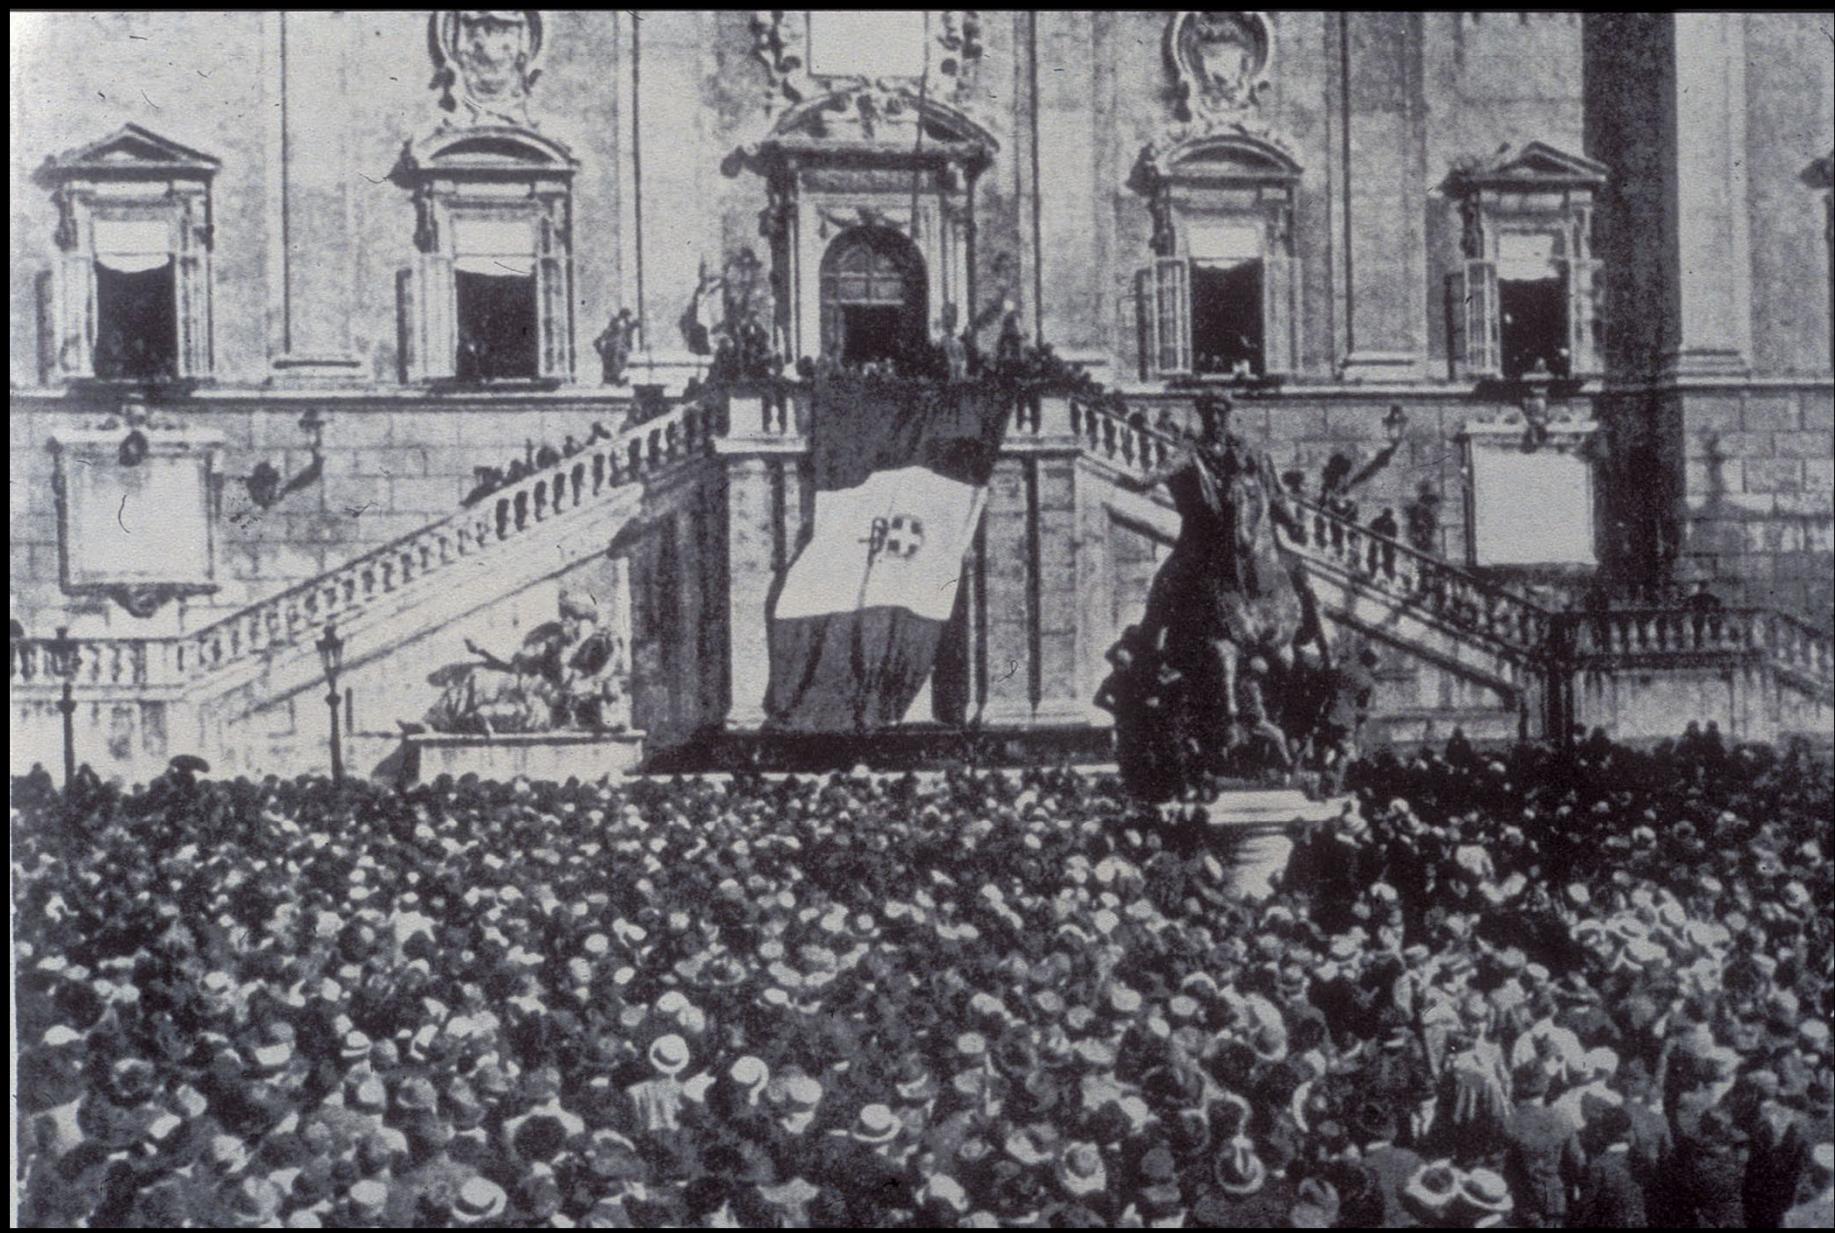

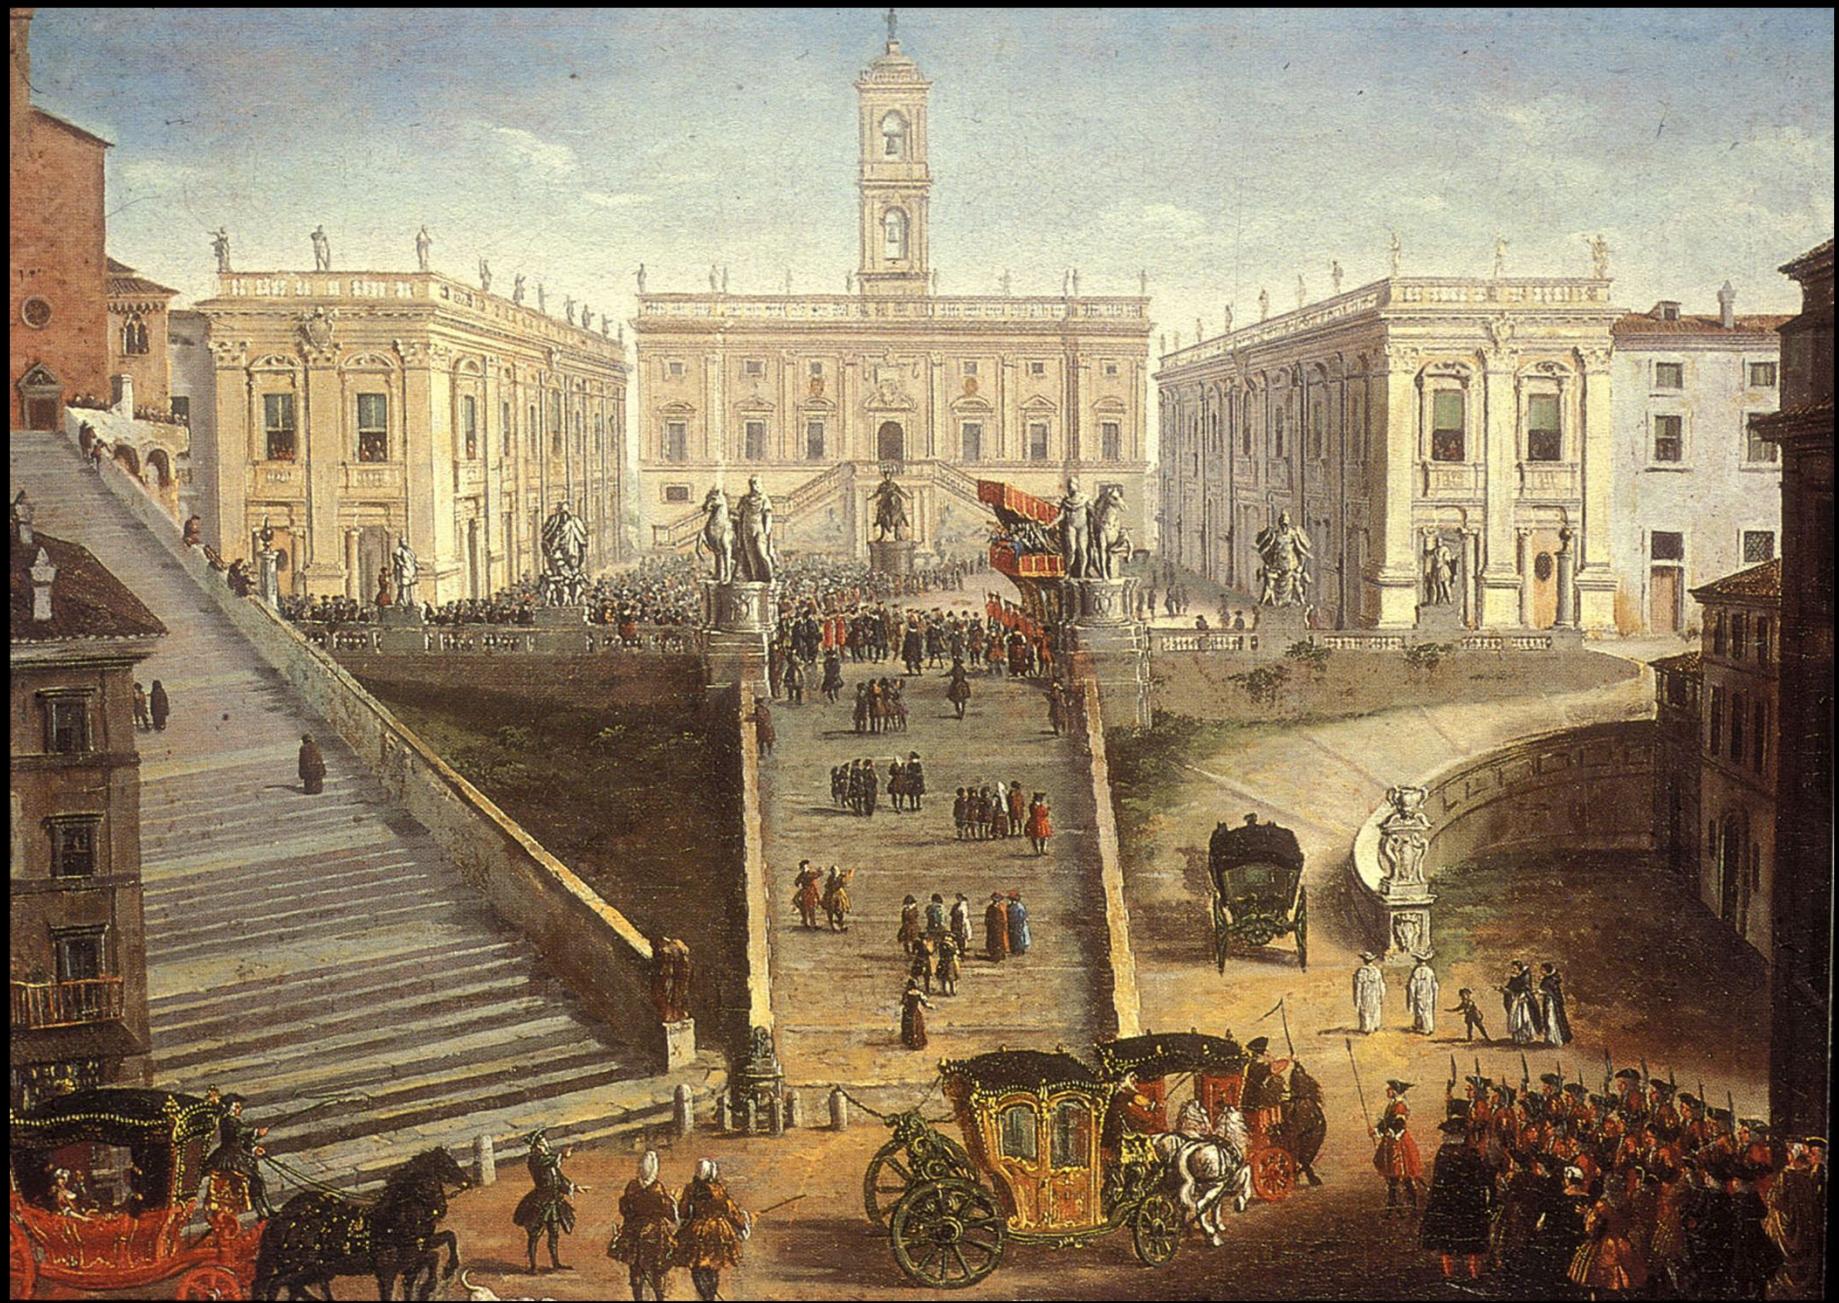

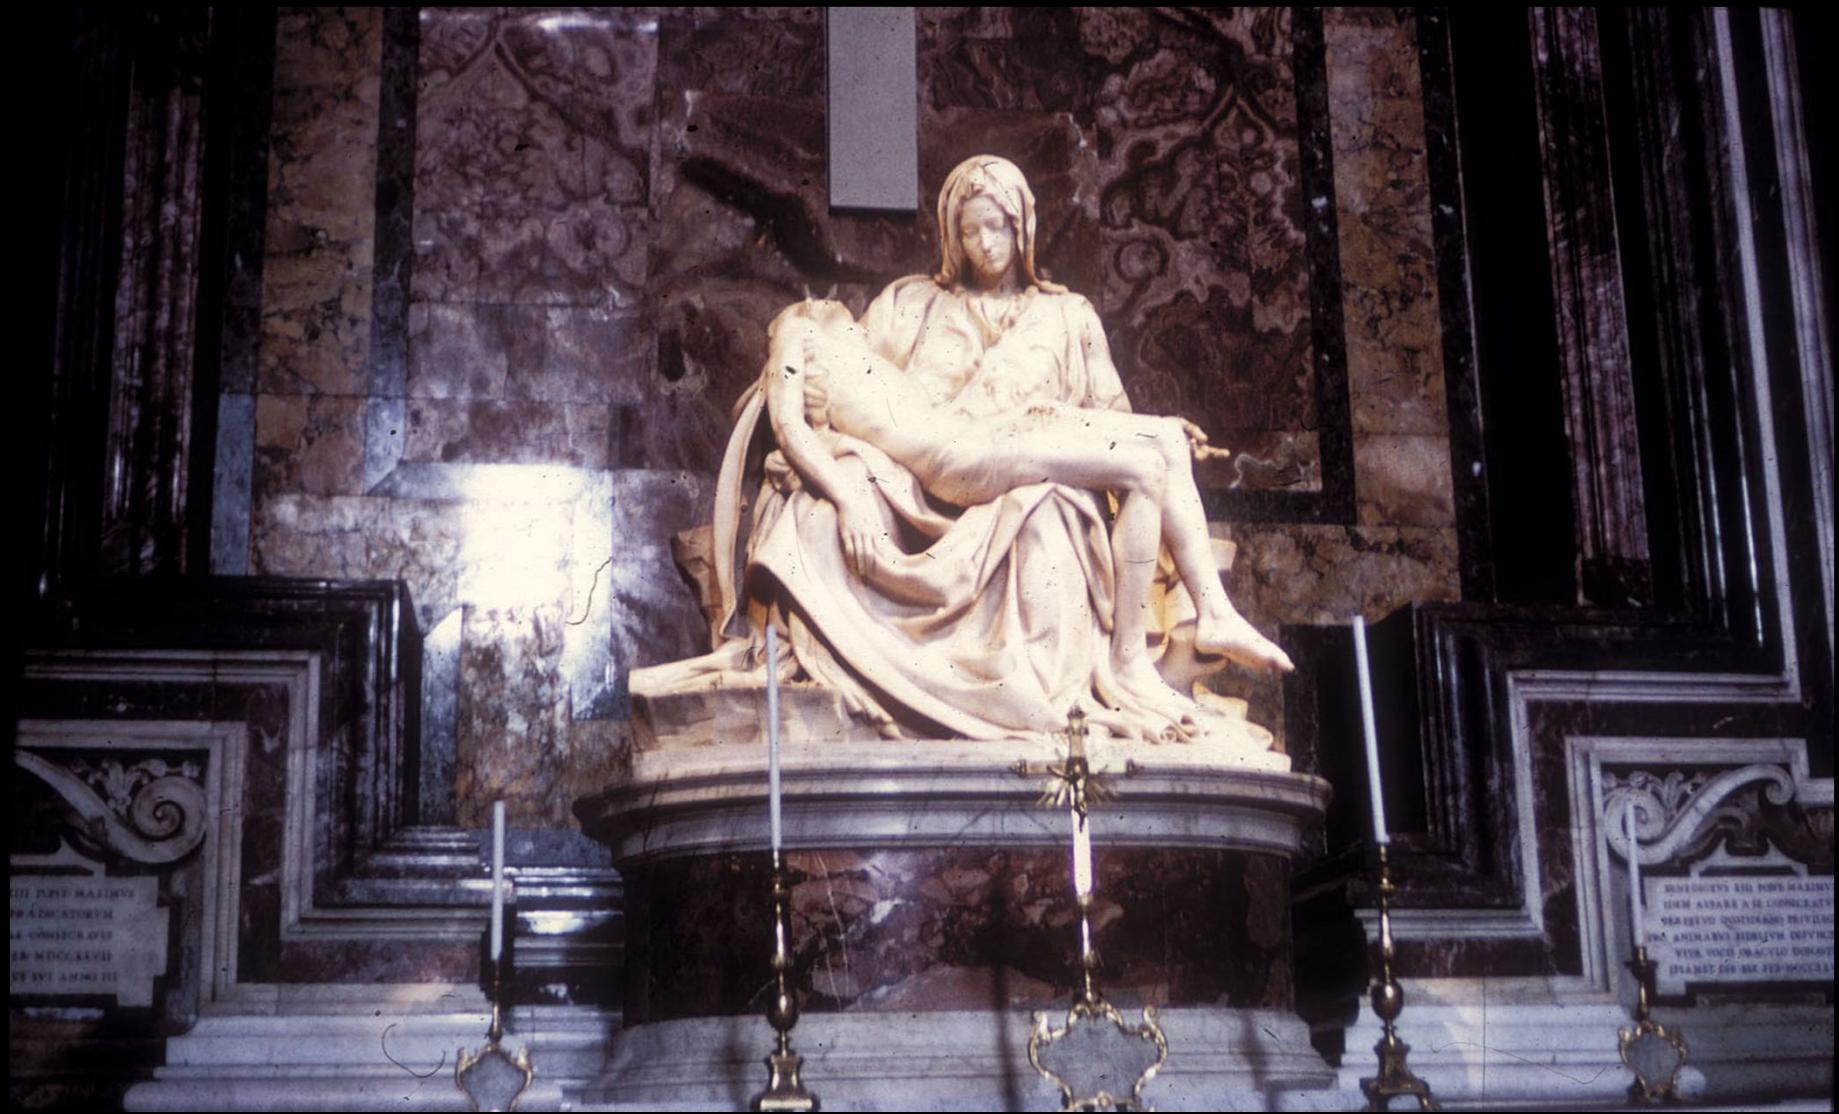

ROME, THE ETERNAL CITY

The Capitol piazza during reconstruction, after a drawing by Heemskerck. In the middle is seen the Palazzo del Senatore. Michelangelo's double stairway is finished and the equestrian statue in place. To the right is the Palace of the Conservatori before remodelling.
